**National Accredited
Housing Maintenance Supervisor**

NAHMSTM

Credential Application

The Accredited Housing Maintenance Credential

The National Affordable Housing Management Association (NAHMA) National Accredited Housing Maintenance Technician™ (NAHMT™) and National Accredited Housing Maintenance Supervisor™ (NAHMS™) credentials were conceived and designed to recognize those apartment maintenance professionals, who, through their completion of strict NAHMT and NAHMS requirements, have met the highest possible industry standards. The successful NAHMT and NAHMS professional has demonstrated comprehensive apartment maintenance skills along with a proven knowledge of fair housing regulations. Most importantly, NAHMT and NAHMS professionals, through their commitment to the NAHMT / NAHMS Code of Ethics, are dedicated to providing safe and decent housing to all eligible residents.

The Credential Program

What will a NAHMT or NAHMS credential do for you?

A NAHMT or NAHMS credential will open doors for you. Your commitment and extensive professional development will be immediately evident to your peers. Your efforts in continuing education will further your opportunities for recognition and advancement in the apartment industry. You will be recognized for your professionalism by your current and future employers, you will have the power and support of a national organization working for you, as well as networking opportunities with other maintenance professionals in the apartment housing industry.

NAHMA's credential programs are designed specifically for the management of apartment housing. The housing management industry, including HUD and RHS, recognizes NAHMA courses as programs with a high degree of expertise and professionalism.

The certified NAHMT or NAHMS professional will be entitled to use the NAHMT or NAHMS designation on business cards and letterhead. In addition, each NAHMT or NAHMS will be listed in our online NAHMT / NAHMS national directory.

Note:

Did You Know if you work at an affordable property the fees associated with securing the NAHMT or NAHMS credential can be authorized as eligible to be paid from project expenses? Specifically, the expense must meet the applicable requirements of HUD Handbook 4381.5, REV-1, paragraph 2-15; the expense must be for front-line staff. NAHMT or NAHMS costs for Main Office management personnel cannot be paid from the project account. Funds for NAHMT or NAHMS expenses must be budgeted and approved by the Field Office. Allowable costs are limited to actual, reasonable expenses for registration, credential, transportation, meals and lodging. However, the NAHMT or NAHMS annual renewal fee is not an eligible project expense. Check with your local HUD office to confirm if the NAHMT or NAHMS annual renewal fee is an eligible project expense, as it varies from state to state.

Requirements for Credential

The NAHMT and NAHMS credential requirements are comprised of education/training, work experience and adherence to the NAHMT / NAHMS Code of Professional Conduct. All criteria must be met before the Candidate can become certified. Each Candidate will be responsible for tracking his/her progress toward earning the credential, and should keep originals of all documentation including course/workshop/seminar, completion certificates and verifications of experience. Each Candidate will have a maximum of five years to complete the requirements for credential.

Education Requirement for both NAHMT or NAHMS:

The education component consists of successful completion of an accumulation of a total of sixteen (16) hours of training over a five-year timeframe, as follows:

- Two (2) hours of training related to REAC inspections or preventative maintenance
- Two (2) hours of training related to lead-based paint or environmental hazards
- Two (2) hours of fair housing training
- Two (2) hours of non-technical maintenance specific topics (courses presented on List 2 of the educational requirements listing)
- Eight (8) hours of training in at least four different maintenance-specific topics (courses presented on List 1 of the educational requirements listing)

The courses/trainings listed above may be provided by any of the following sources:

- Local, state or regional Affordable Housing Management Association (AHMA)
- National Apartment Association (NAA) Certified Apartment Maintenance Technician (CAMT) courses
- Other national trade associations, company training departments, professional societies, or community, vocational or similar educational institutions

Experience Requirement for NAHMT:

All Candidates must accumulate a minimum of two years of experience in apartment housing maintenance position(s).

All work experience must be documented in the Application for Credential. (Résumés will not be accepted in lieu of this documentation.)

Experience Requirement for NAHMS:

All Candidates must accumulate a minimum of three years of experience in apartment housing maintenance position(s).

All Candidates must supervise / manage a minimum of one staff person, in addition to themselves.

All work experience must be documented in the Application for Credential. (Résumés will not be accepted in lieu of this documentation.)

Annual Renewal

The January following receipt of the NAHMT or NAHMS credential, the credential holder will be invoiced a renewal fee of \$100. The NAHMT or NAHMS credential holder will need to maintain their active status by payment of their annual renewal fee and submission of documentation of four (4) continuing education units in order to receive timely NAHMA publications and updates. Renewal payment will ensure listing in the online NAHMT / NAHMS Directory.

Continuing Education

Continuing education is at the core of the NAHMT / NAHMS credential. Constant changes in technologies and procedures necessitate a continuing effort by maintenance professionals to remain current in all aspects of their work. Commitment to competence includes appropriately tailored continuing education programs.

One continuing education unit (CEU) is equal to one hour of instruction/training. In order for an event to be used as an eligible CEU, it must possess a published agenda and/or a specific topic area. Workshops, seminars and technical and non-technical (see educational requirement listing on page 8) sessions can be used for continuing education. Events that are in conjunction with a trade show or association/organization event may be eligible based on the description above. Mere attendance at a trade show does not constitute continuing education. You may acquire all of the CEUs in a full-day event or by accumulating the hours from various events that may be sponsored as shorter sessions/workshops.

Code of Professional Conduct

This Code of Professional Conduct sets forth the principles that each NAHMT or NAHMS credential holder shall at all times observe:

- Exercise the highest level of integrity and professional conduct.
- Exercise reasonable compliance with all federal, state and local laws and regulations and maintain professional standards.
- Respect the equal employment and housing opportunity of any person no matter their race, color, religion, sex, familial status, national origin, age, handicap and any constitutionally protected class.

Instructions for Completion

Be sure to follow the instructions carefully.

1. Print or type the information requested.
 2. Record all pertinent information on the form or attach sheets to the application (identify each page with your name). Attach a copy of the Certificate of Completion for each course/workshop/seminar you have completed.
 3. When all required course/workshop/seminar work has been completed, the Candidate must submit to the local AHMA:
 - a. The completed Application for Credential (pages 6 - 11), including all appropriate documentation; and,
 - b. \$110 non-refundable application fee (made payable to NAHMA).
- All applications must be sent to the local/regional AHMA for approval and signature. If you do not have the address for your local AHMA, please contact NAHMA at (703) 683-8630 for further information.
 - A decision can be made only from the information you supply. Please provide complete information in order to avoid any delay in the processing of this application.
 - All applications received by NAHMA without an AHMA approval signature will be returned to the applicant.

NAHMT and NAHMS Credential Application

Please complete this application and submit, with your application fee and appropriate documentation, to your local/regional AHMA for review.
